Kurt Lewin Change Model

Síly inicializující proces změny
Proč?
Agent - nositel změny
Kdo?
Intervenční strategie
Kdy?
Jak?
Realizace změny
Kdy?
Operativní metody
Jak?
Zhodnocení
Za kolik?
Posloupnost jednotlivých procesů

Lewinův model řízení změny
6 měsíců
9 měsíců
9 měsíců
Období hodnocení přínosů a inovace
Období nutných intervencí
Období nutných fixačních kroků
III. 2003
IX. 2003
VI. 2004
III. 2005
Čas
Původní stav
Řízená změna
Stabilizační fáze
Fáze rozvoje a růstu

Arousing a sense of the need for change
Identification of drivers for change
Determining the consequences
Determining the response to change
Delegation of authority
Assigning people to projects
Determination of benefit-sharing arrangements
Modelling of behavioural patterns
Avoiding a theoretical approach to change
